Presents

Poker Showdown III

April 21st, 2007

Dear Player,

We're back for Season III of the ReversalSports Poker Tour (RPT) and it just keeps getting more and more exciting each year! 2006 was a successful year but in 2007 we're sure to hit some major Tour milestones and anticipate some interesting sub-plots. With just a 20 player tournament at this year's RPT Showdown we will break the \$10,000 mark in total Tour payouts since the inception of the Tour in 2005. In addition, we will no doubt add three rookies this year to bring the total Tour professionals to 50. Once again, our goal for 2007 is to break the previous year's prize distribution -- \$4,900 in 2006.

A number of questions will be answered in 2007: Will Scottie "Too Hottie" Yarymowicz capture his third straight Poker Showdown? Will J-Bone Bannish, after traveling the world for the past 6 months, have enough game to overcome two 2nd place finishes and capture his first title? Can Bubba Barbarini finally turn his 2 cashes into a title? Or will RPT Chairman Zip Zalapski finally make a run and gain his first cash on Tour?

On April 21st, 2007, we invite you back to ReversalSports Advisors' (RSA) lavish poker room to compete for the honor of being the 5th Tour Champion. Located in the heart of beautiful Ashland, MA, the RSA poker room takes pride in its unmatched comfort, amenities and fast-paced action. Our Non-Smoking Poker Room is open 24 hours a day and provides access to unlimited beverages.

The late night high stakes game was much improved at last fall's Poker Challenge II after we reserved a table specifically for high stakes action and limited the games played -- once again hitting \$30-\$60-\$90 stakes early in the A.M. We continue to get great feedback on our loan accounting system -- all markers are posted to the "Board" and signatures make collections that much easier once the dust (and alcohol) has settled.

At the RSA SportsBook and Casino, the beverages flow 24/7 and there is only one motto "In this Game... Winning is Everything!" CAPACITY IS LIMITED AND DEMAND IS HIGH, so book your seat in advance. We ask that participants not ready for a 100% commitment leave seats unclaimed so that we may have the maximum amount of players on tournament day.

Look forward to seeing you there!

Regards,
Zip Zalapski - ReversalSports Poker Tour Chairman

* Blinds will be raised after this point at the Tournament Director's discretion		

- Tournament \$100 entry fee will equal \$70-100 tournament chips or otherwise determined prior to the tournament start by the director (primarily dependant on the number of players)
- Tables will be randomly drawn prior to the start of the tournament
- Table seat will be decided by all table participants cutting cards. Ties settled with an additional cut.
- There will be a 10-15 minute break every 3-4 rounds; blinds will be raised every 30 minutes
- In the event of one table falling below 6 players, the table with the most players will cut cards. Low player will go to the new table, choose an open seat and another cut to see who deals both tables (final discretion is reserved for the tournament director)
- When the final table is set, all players cut for seats, high card gets the button
- Tables will be closed when they fall below 6 players with no tables to pull from
- Tournament prize schedule is displayed in the table below
- Side games will develop throughout the day as competitors are knocked out of the main tournament
